INDOOR CANINE

ALL LIFE STAGES CANINE FORMULA

Quality over Quantity!

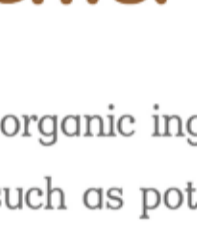

Let's feed a variety of high-quality protein

BENE M50 contains antibiotic-free, deboned chicken meat, fresh fish and a variety of vitamin and high-quality amino acid to provide the best protein to our dogs.

Over 50% in Meat Protein! Rich Source of High-Quality Meat Protein

BENE M50 contains antibiotic-free, deboned chicken meat, fresh fish and many other source of high-quality protein to help maintain a lean muscle mass.

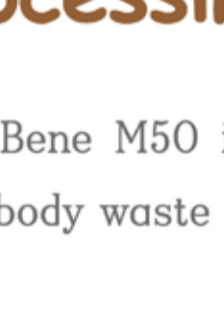

Rich in Organic Ingredients!

Polyphenol is a naturally occurring antioxidant found in organic ingredients to protect cells from free-radicals. Ingredients such as potato, carrot, soybean, spinach and other vegetables are an abundant source of fiber, mineral and vitamins to help maintain a balanced nutrition and improve the digestive system.

Good Bye Fecal Odor~

Products that are high in protein tend to have a strong fecal odor, but the ingredients in Natural Core's BENE M32 are pre-processed for an increased digestion, reduced fecal mass and odor.

Natural Core's Unique Processing Method!

Each of the ingredients in Bene M50 is pre-processed in order to maximize digestion, reduce body waste and fecal odor.

No! It Does Not Contain!

Our products do not contain any harmful substances such as antibiotics, chemical fertilizer, synthetic coloring & GMO.

Healthy Aging!

Blueberry, sea buckthorn fruit, carrot, coriander and spinach are an effective antioxidant that can help protect your dog's health and delay aging.

Gimme some
Bene 50!

Natural Core's Healthy Ingredients

Each of the ingredients in Natural Core products are carefully selected to provide the best health and taste to your pet. By sourcing these essential nutrients with natural ingredients Natural Core seeks to promote your pet's health.

1. Sea Buckthorn Fruit

Also known as the Vitamin Tree, Sea Buckthorn Fruit contains 200-300 times more vitamin than an apple. The only fruit known to contain Vitamin A, C and E at the same time, it is not only a powerful antioxidant but also helps to speed up the metabolism and prevent obesity.

2. Deboned, Antibiotic-Free Chicken Meat

BENE 50 uses deboned chicken meat that is free from hormones and antibiotics. Chicken meat is rich in essential amino acid to aid brain development while the collagen in chicken meat helps maintain a healthy skin and coat.

3. Blueberry

Anthocyanin is a substance found in red colored ingredients and it supports eyesight health. Lycopene is an excellent antioxidant that can protect the cardiovascular system.

Crunchy Nitrogen Sealed Packs~

5kg = 500g x 10ea

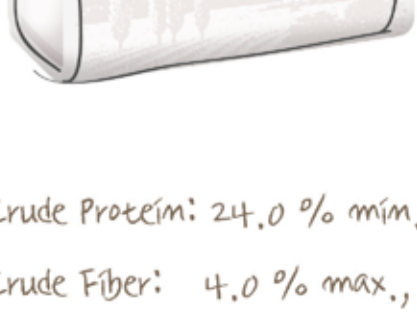

Individually packed to maintain the freshness and flavor fresh out of the kitchen

Kibble Size

"Our kibbles are low in density, making it easy for paws with weak teeth and gum to chew"

Triangular 6 ~ 7mm
